A MESSAGE FROM LEAH STEIN, THE 44TH REGIONAL N'SIAH:

My Sister and Sibling BBGs,

If you're reading this, you might be considering a role on the 45th Regional Board of Lake Ontario Region, and that is amazing. With this document, you begin the process that helps shape our region for an even stronger future. I know the stress, the nerves, but most importantly the excitement that comes with elections. Most of all, I know that it'll all be worth it. Reading this packet helps you begin to understand what it takes to be on the Regional Board next year. Along with that, this will ensure that you have all the resources needed to be one of the next great leaders for Lake Ontario Region. No matter what, do not be scared to ask questions. I am here for you every step of the way, so please be sure to reach out if you need help.

Serving on the Regional Board is no small task. It takes dedication, commitment, hard work, and teamwork. While being on any board, it is your job to do your part and hold your weight. Along with that, understanding and cooperating with others is essential. We as a region are strong because we consistently have engaged and active leaders. Our individual BBYO experiences are unique to us, but they are built on the work and care of so many leaders that come before. As a leader in Lake Ontario Region, you have the power to shape other people's stories. Looking through this packet, think of what motivates you, and remember why you're here. You are one of the people that makes me proud of the future for LOR.

Through my time in BBYO, I have learned so much about how leadership roles on the regional level can be so impactful for me and others. I'm honoured to have spent two years forming meaningful relationships with teens from all around LOR working towards our shared goals. Being on the Regional Board gives you a chance to spread to other members the same love and appreciation you have for this movement. It enables you to use innovative ideas, your passion, and your dedication to this movement to fuel others, and see success in your own way. You have the power to make a difference next year, and I encourage you to make that happen. I am always available for support in every way that I can, so feel free to reach out to me at (647) 622-8198.

**Together as one,
Forever united,**

Submitted with an undying love for Chapter Ahava BBG #2447, Lake Ontario Region #36, LOR's 43rd and 44th Regional Boards, The International Order of the B'nai B'rith Girls, and the Menorah Pledge Principles upon which it stands, I forever remain,

Leah Stein

A MESSAGE FROM KEVIN GOODMAN, SIMARA CLEMENS & DAVID WAKSMAN, BBYO ONTARIO REGIONAL DIRECTOR AND ASSOCIATE REGIONAL DIRECTORS

Mazel Tov! By reviewing this packet, you're taking the first step in furthering your leadership journey within BBYO and Lake Ontario Region. As you consider if this opportunity is right for you, it is important that you, as well as your family, understand the commitment you are about to undertake. The purpose of this packet is to give you and your family a clear understanding of the time, effort, and commitment serving on board requires and how essential the support of parents is in creating a stellar experience.

If you choose to run for office, you should fully understand the large responsibility of these positions and be capable of dedicating a significant amount of time to BBYO. Please discuss next year's plans regarding school and extracurricular activities together so you can be confident in your decision to run.

Serving on the Regional Board is an incredible experience- allowing you to become a part of something larger, developing leadership skills that you will use beyond your high school years. As leaders of our region, serving over 500 teens, Regional Board members are role models, and have the ability to impact the lives of their peers through goal setting, meaningful programming, communication, and mentorship.

The ultimate goal of a Regional Board member is to make the chapters of Lake Ontario Region stronger. It's safe to say that you will spend a great deal of time on the phone and online as you communicate with counterparts, other board members, and the community at large. The specific responsibilities of each office can be found later in this packet.

Serving as a Regional Board member will be an enriching experience that benefits you for a lifetime. If elected, we know that you will grow tremendously from this experience, gaining new skills in goal setting, developing event planning abilities, building relationships with Jewish teens from around the world, and just plain having fun.

Getting to work with the Regional Board is a personal highlight for us and it is inspiring to watch the transformation of teens from Election Day to the end of their terms. You will discover skills you never knew you had, you will develop friendships that will last a lifetime, and you will learn to take regional success personally.

It is crucial that you put time and thought into this decision. After reading through this election packet and discussing with your entire family, if you still intend to run for office, please adhere to the deadlines that have been articulated. Feel free to reach out to us if you have any questions at any point in the candidacy process.

Exceptions are extremely rare and may only be made jointly by the Regional N'siah and Regional Staff.

CLOSED CAUCUS POLICY

Lake Ontario Region has a strict caucus policy in place to prevent any BBG from obtaining an unfair advantage over any opponent in an election. Our biggest priority is the preservation of sisterhood and siblinghood throughout Lake Ontario Region. Failure to abide by this policy will result in the removal of your caucus.

All members, whether caucusing or not, are prohibited from:

- Discussing your own or any member's intention on whether or not to declare
- Discussing your own or any candidate's qualifications, goals, ideas, or vision
- Discussing reasons to vote/not vote for you or any candidate
- Discussing anything that would provide one or more people information about a candidate
- Engaging in any actions designed to influence votes
- Sharing caucus materials prior to the election or having others read or edit a candidate's materials
- Doing anything that would provide one or more candidates with an unfair advantage

The number of people aware of a decision to run for Regional Board is limited and the caucus policy will be enforced. The only people who should be aware of a candidate's decision to run for Regional Board are the candidate, the candidate's parents, regional staff and chapter advisors, and the Regional N'siah.

Any candidate found in violation of the Caucus Policy will have their caucus removed.

Any member found in violation of the Caucus Policy will lose their vote and may be subject to further consequences as jointly determined by the Regional N'siah and Regional Staff.

If anyone is suspected to be in violation of the Caucus Policy, they will receive a warning and may be subject to further consequences as jointly determined by the Regional N'siah and Regional Staff.

ELECTION PROCEDURES

Vision Statements & Candidate Videos

Your Statements and Video will be published on our Regional Elections website (bbyo.ca/elections) approximately five days before Spring Convention. As a reminder, the Caucus policy remains in effect during this time.

Speech Guidelines

Each candidate is given the opportunity to deliver a speech during elections. Speeches typically include qualifications, goals and aspirations, and new ideas. Speeches may not address the ideas or intentions of other candidates, or previous board members. Obscene language will not be permitted. It is highly recommended that candidates prepare a quality speech in advance and practice with family or friends. Keep in mind that if speeches go past the time limit, a candidate will be asked to stop and will be unable to finish their speech. Time allotment for Speeches is as follows:

- Regional N'siah: 7 minutes
- All Other Positions: 5 minutes
- A candidate that is sliding will have one minute to speak about qualifications only.

Election Day

Elections will be held Sunday morning at Spring Convention, May 19, 2024. Leading up to elections you MUST be on your best behavior and not discuss your candidacy with anyone. Come dressed to impress, business attire is recommended.

- The election chair will ask "Will all those caucused for the high and honorable position of _____ please rise". They will ask this two more times and the third time you must be physically standing.
- The election chair will ask "Will all those sliding please rise." If you have slid over they will read your name off.
- Each candidate will be asked three times "If elected will you serve?" You must respond with something each time but the third time you must say "Yes." If you have changed your mind, you can say, "no."
- If you are in a contested election the election chair will have a randomized order of those who have caucused, and those sliding will be after the caucused candidates. Only one candidate will be in the room at a time.
- First you will pass out your platform (exactly as submitted) and have 30 seconds to explain it.
- Declared candidates will be asked a position-related question and have 1 minute to answer. Those sliding will not be answering questions.
- Next is your speech. You must bring your own printed copy of the speech that you submitted during the process. The election chair will ask you when you want your gavel raps and then the timer will start when you begin speaking. If you are not finished with your speech in time when the election chair gives the final gavel rap, you must go directly into your "submitted with undying love" statement.
- Voting will take place by ballot. To win an election, you must receive 50% of the vote plus one.
- Once all votes are collected, the election chair will leave to go count votes with staff and when they come back they will announce if we have been successful or not. If we have been successful the election chair will announce who has been elected. If we are not successful, we will go into a runoff.
- You must stay at elections the whole time, whether you have been successful or not.
- If you are caught having communication with other BBGs or Alephs during elections, your caucus will be revoked and you will be removed from elections.
- If you have any questions please reach out to Leah or staff privately. Don't ask questions to us in a group setting.

FINAL WORDS

My Sister and Sibling BBGs,

Thank you for your continued commitment to Lake Ontario Region. It's because of people like you, who believe in moving our region forward that we have such an amazing organization. It's important to remember that you are caucusing to serve the people of our region, and if at any time you feel that this may not be for you, we will always support your decision. We want what is best for you, and the region. Remember that regardless of what happens on election day, there will always be a place for you and your leadership in Lake Ontario Region! A position does not define you. Anyone passionate enough to run is a winner and can continue to serve. It is not about what titles you hold but the work you do that matters.

We want to remind you that serving on Regional Board is not the only way to move our Movement forward. The opportunities to be a leader in BBYO are endless — from chapter officers to convention coordinators, our Movement would not be what it is without each one of our members. Since 1924, most of the greatest achievements of AZA and BBG have taken place at the grassroots, and without a strong global network of thriving chapters, we would not be where we are today.

We'd also like to thank those who are just taking a look at this packet, as becoming an informed voter is important to make the best decision for yourself. Lake Ontario Region needs people like you.

We hope that every candidate will try their best, and give it their all. This is not an easy process, but you are capable of doing it. If you need any help, or need to talk things over do not hesitate to ask either of us, Simara or David. Good luck!
