A MESSAGE FROM ELLIOT KRITZER THE 46TH REGIONAL ALEPH GODOL:

My Brother and Sibling Alephs,

If you're reading this, it means you're considering serving on Lake Ontario Region's 47th Regional Board. Congratulations! This packet is your first step towards becoming the next incredible leader for our region, and I couldn't be happier that you are taking it. As someone who has been in your shoes, I understand the excitement and the anxiety that come with running for Regional Board. But I can assure you that it's worth every moment. Being on Regional Board is a privilege. It is a chance to grow as a leader, meet incredible people, and make unforgettable memories. I want to encourage you to embrace this opportunity. As you read through this packet, you'll find everything you need to know about running for Regional Board. And if you have any questions or doubts, don't hesitate to reach out to me. I'm here to support you every step of the way.

Serving on Regional Board is a major task. It takes dedication, hard work, and teamwork. As with being on any board, it is your job to do your part and positively contribute. Along with that, understanding your role among the other people you work with is essential. Each person you interact with throughout your Regional Board experience will be impacted by you, and you by them. Our Regional Board is consistently made up of strong leaders. As we look to our future, I'm proud that you aspire to be among them.

When I first joined AZA, I had no idea what Regional Board was. But as I progressed through my BBYO journey, I realized it was what I wanted to do: To serve the region, to impact my fellow Alephs and to help our region grow. Even if you're not completely sure of yourself, I encourage you to run. I guarantee your ideas and your passion will have a positive impact on the region. Everyone, including you, can help create a positive future for our region. As said before I am here throughout the whole process. If you ever need anything please contact me at any point: 647-825-0812.

**Never too many,
Never too strong,
Always AZA,**

Fraternally submitted with undying love for Chapter Simcha BBYO #5003, BBYO Lake Ontario Region #36, LOR's 46th Regional Board, The Grand Order of the Aleph Zadik Aleph, and the Seven Cardinal Principles upon which it stands, I forever remain,

Aleph Elliot Kritzer

2026-2027

A MESSAGE FROM KEVIN GOODMAN, SIMARA CLEMENS & YUVAL TALMOR, BBYO ONTARIO STAFF

Thank you for your interest in running to serve on our Regional Board. As you consider if this opportunity is right for you, it is important that you, as well as your family, understand the commitment you are about to undertake.

Family and school obligations should always come before BBYO responsibilities. That being said, if you choose to run for office, you should fully understand the large responsibility of these positions and be capable of dedicating a significant amount of time to BBYO. Please discuss next year's plans regarding school and extracurricular activities together so you can all be confident in your decision to run.

Over the next twelve months, this Regional Board will work together in order to accomplish its goals — as a result, you will have to be a very dedicated team member. The purpose of this packet is to give you and your family a clear understanding of the time, effort, and commitment serving on board requires and how essential the support of parents are in creating a stellar experience.

The ultimate goal of a Regional board member is to make the chapters of our Region stronger. It's safe to say that you will spend a great deal of time on the phone and online as you communicate with counterparts, other board members, and the Region at large. The specific responsibilities of each office can be found later in this packet.

We cannot appropriately emphasize the importance of adhering to the [BBYO Code of Conduct and Community Commitment](#), specifically the penalties outlined regarding alcohol and drug use. If elected to Regional Board, the expectation is that you will uphold this Code **at all times**. As such, if any board member uses, abuses, possesses, or purchases alcohol or non-prescription drugs at any point during their term, regardless of whether or not the usage occurs at a BBYO program, they risk the chance of being removed from Board.

Serving as a Board member will be an enriching experience that benefits you for a lifetime. If elected, we know that you will grow tremendously from this experience, gaining new skills in goal setting, developing event planning abilities, building relationships with Jewish teens from around the world, and just plain having fun.

We want to remind you that serving on Regional Board is not the only way to move our Movement forward. The opportunities to be a leader in BBYO are endless — from chapter officers to convention coordinators, our Movement would not be what it is without each one of our members. Since 1924, most of the greatest achievements of AZA and BBG have taken place at the grassroots, and without a strong global network of thriving chapters, we would not be where we are today.

It is crucial that you put time and thought into this decision. After reading through this election packet and discussing with your entire family, if you still intend to run for office, please adhere to the deadlines that have been articulated. Feel free to reach out to any of us, or the Regional Aleph Godol, if you have any questions.

Kevin Goodman

Senior Regional Director, BBYO Ontario

Simara Clemens & Yuval Talmor

Associate Regional Directors, BBYO Ontario

ELIGIBILITY FOR REGIONAL BOARD

To be eligible to run for a position on Regional Board, you must:

- Be registered as a member in good standing of a chapter in the Lake Ontario Region
- Have successfully served (or are currently serving) a full term on chapter or regional board.
- Fulfill all requirements and meet all deadlines in the AZA Elections Manual.
- Be present at Elections (taking place at Spring Convention, May 15-17, 2026).

Exceptions are extremely rare and may only be made jointly by the Regional Aleph Godol and Regional Staff.

POLITICKING PRACTICES

It's important to embrace why BBYO puts such a large emphasis on no politicking. Politicking is engaging in political activities such as campaigning, conversations about what you plan to run for, asking what others are running for, or telling others what they should run for. Although many know that politicking is strictly prohibited in BBYO, many do not know why.

BBYO is unique as it is one of the only places you will come across where you can put yourself out there, and no matter the outcome, always have a home here and more leadership opportunities available. BBYO elections are friendly competitions based on qualifications, not popularity, and by enforcing the no politicking rule, we promote the friendliness of the election and make them impersonal in the best way.

Ensure that you run for the position you feel most qualified for and ready to take on, NOT the position your friend or anyone else wants you to run for. If you decide to run for a position based on what you expect others to run for, you are not making the best decision for you or our community.

If you are caught politicking, you will not be permitted to run for board, you will lose your vote, and you may be subject to further consequences. Please know that politicking is serious, and there are consequences for any member suspected of engaging in politicking.

Examples of politicking include:

- Discussing with fellow BBYO members about materials or candidacies.
- Using social media to promote or communicate your candidacy.
- Sharing information about your declaration to any individual outside of the process.
- Using outside sources (i.e. other people) to build candidacy materials.

The only people who should know about your decision to run for Regional Board are your parents, regional staff and chapter advisors, and the Regional Aleph Godol.

If you experience a politicking incident, please report it here: bbyo.ca/elections/report

Ometz	אִמּוּץ – courage	Shalom Bayit	שְׁלוֹם בַּיִת – peace in the home
<p>Set Goals and Dream Big We expect you to develop a forward-thinking attitude about our community and the chapters and cities that are ours to nurture. We expect you to think of ways to move chapters forward and help them grow, not simply maintain them or let them slip backwards.</p> <p>Pay it Forward We expect you to realize that what you do to help a chapter today will directly affect what happens with that chapter the next day, the next month, the next year and so on. Always strive for new and better ways to improve our Region.</p>		<p>Staff Members Are People Too We expect you to realize that BBYO staff members have lives outside of their jobs (and we know that you have friends and things to do outside of BBYO, too!). Work with us to set good communication standards and rhythms and be patient with us if we're not always 'on' when you are.</p> <p>Keep it Real We expect you to be honest and real with us and with other members of the team. If you have a problem with a staff member, address it in a mature, responsible and timely manner. Don't keep it bottled up — and don't talk to the entire Region about it before you talk to staff about it. We expect you to have this same expectation of us.</p>	
YOU AS A TEAMMATE		YOU AS A COMMUNICATOR	
K'vod Ha-B'riot	כְּבוֹד הַבְּרִיּוֹת – honor for all human beings	Bakesh Shalom V'Rodfehu	בִּקֵּשׁ שְׁלוֹם וְרוֹדְפֵהוּ – seek peace and pursue it

We expect you to show a passion for your office, a love for BBYO and a desire to help Lake Ontario Region be a better Region than it was when you were installed.</p> <p>Everyone Wins As a Regional Board Member, you're part of a team and it's on you to serve as a positive and supportive member of that team. Together, we all must look out for the Region's best interest.</p> <p>R-E-S-P-E-C-T Accept supervision from your Regional Godol/N'siah, BBYO Director, and any adult assigned to work with you. Always show respect to all people, regardless of age or affiliation with BBYO.</p> <p>You Are the International Order This role is bigger than just your community. You, as a leader in your community, are a part of the network that makes up our International Order. As a result, you're not only a part of your global network of counterparts, but you have a special responsibility to be a part of governing our movement – from elections to committees and the International Leadership Network – the Order only runs and thrives with your committed leadership.</p>		<p>Be Honest + Open If you don't understand something, ask questions. Don't fake it — it's going to hurt you or the Region later. Keep your Regional Godol/N'siah in the loop (cc'd on emails, etc.) so that they can support you through your term and know what you're working on.</p> <p>Deadlines are Deadlines We expect you to meet all deadlines. This includes calling and emailing people when you say you will. We expect you to oversee and be responsible for the details of anything you take on — if you can't meet a deadline, let us know immediately.</p> <p>Get the OK You should obtain official approval(s) from your Godol/N'siah and staff members before sending out releases, letters, or anything to members concerning Regional business. All communications you send reflect you, your Boards, our Community, and our Order. Hold yourself to the highest standards.</p> <p>Do the Work There are consequences for not doing your work or failing to properly carry out the roles of your position. If your N'siah/Godol and/or Staff members don't believe that you're living up to the expectations of the role, they'll work with you to set up appropriate probationary measures to get back on the right track.</p>

ELECTION PROCEDURES

Vision Statements & Candidate Videos

Your Statements and Video will be published on our Regional Elections website (bbyo.ca/elections) approximately five days before Spring Convention. As a reminder, the Caucus policy remains in effect during this time.

Speech Guidelines

Each candidate is given the opportunity to deliver a speech during elections. Speeches typically include qualifications, goals and aspirations, and new ideas. Speeches may not address the ideas or intentions of other candidates, or previous board members. Obscene language will not be permitted. It is highly recommended that candidates prepare a quality speech in advance and practice with family or friends. Keep in mind that if speeches go past the time limit, a candidate will be asked to stop and will be unable to finish their speech. Time allotment for Speeches is as follows:

- Regional Aleph Godol: 7 minutes
- Regional Aleph S'gan: 5 minutes
- All Other Positions: 4 minutes
- A candidate that is sliding will have one minute to speak about qualifications only.

Election Day

Elections will be held Sunday morning at Spring Convention, May 17, 2026. Leading up to elections you MUST be on your best behavior and not discuss your candidacy with anyone. Come dressed to impress in business attire.

- The election chair will ask "Will all those caucused for the high and honorable position of _____ please rise". They will ask this two more times and the third time you must be physically standing.
- The election chair will ask "Will all those sliding please rise." If you have slid over they will read your name off.
- Each candidate will be asked three times "If elected will you serve?" You must respond with something each time but the third time you must say "Yes." If you have changed your mind, you can say, "no."
- If you are in a contested election the election chair will have a randomized order of those who have caucused, and those sliding will be after the caucused candidates. Only one candidate will be in the room at a time.
- First you will pass out your platform (exactly as submitted) and have 30 seconds to explain it.
- Declared and Sliding candidates will be asked a position-related question and have 1 minute to answer.
- Next is your speech. You must bring your own printed copy of the speech that you submitted during the process. The election chair will ask you when you want your gavel raps and then the timer will start when you begin speaking. If you are not finished with your speech in time when the election chair gives the final gavel rap, you must go directly into your 'fraternally submitted' statement.
- Voting will take place by ballot. To win an election, you must receive 50% of the vote plus one.
- Once all votes are collected, the election chair will leave to go count votes with staff and when they come back they will announce if we have been successful or not. If we have been successful the election chair will announce who has been elected. If we are not successful, we will go into a runoff.
- You must stay at elections the whole time, whether you have been successful or not.
- If you are caught having communication with other Alephs or BBGs during elections, your caucus will be revoked and you will be removed from elections.
- If you have any questions please reach out to Elliot or staff privately. Don't ask questions to us in a group setting.

FINAL WORDS

My Brother and Sibling Alephs,

Thank you for your continued commitment to Lake Ontario Region. It's because of people like you, who believe in moving our region forward that we have such an amazing organization. It's important to remember that you are caucusing to serve the people of our region, and if at any time you feel that this may not be for you, we will always support your decision. We want what is best for you, and the region. Remember that regardless of what happens on election day, there will always be a place for you and your leadership in Lake Ontario Region! A position does not define you. Anyone passionate enough to run is a winner and can continue to serve. It is not about what titles you hold but the work you do that matters.

We want to remind you that serving on Regional Board is not the only way to move our Movement forward. The opportunities to be a leader in BBYO are endless — from chapter officers to convention coordinators, our Movement would not be what it is without each one of our members. Since 1924, most of the greatest achievements of AZA and BBG have taken place at the grassroots, and without a strong global network of thriving chapters, we would not be where we are today.

We'd also like to thank those who are just taking a look at this packet, as becoming an informed voter is important to make the best decision for yourself. Lake Ontario Region needs people like you.

We hope that every candidate will try their best, and give it their all. This is not an easy process, but you are capable of doing it. If you need any help, or need to talk things over do not hesitate to ask either of us, Simara or Yuval. Good luck!
